YANA TEHLIVETS

QA ENGINEER

I am a person who loves quality in every part of my life. As a florist in pandemic time it was hard to give good quality of my service on the territory of Lublin. There for I started looking for an area where I can be realized in pandemic. I found and now I know what I want to pass way from manual tester to high level QA engineer. Of course I have mentor - my husband is developer, who direct and support me.
